

Challenger™ 2000

Folding Powerchair

SEAT WIDTH AVAILABLE IN: 16", 18", 20"
UPHOLSTERY AVAILABLE IN: BLACK
OR DARK BLUE

This well design motorized chair is the most durable and functional power chair in the market today. The state of art power-system with a programmable controller requires minimum maintenance. Premium high-tech direct drive motors provide smooth ride and low electricity consumption. Compact frame can be folded for easy transporting. Small turning radius makes indoor maneuvering a snap. Equip with more standard features than power chair in it's class.
