

TuffCare™ *ALX832-852*

Low Air Loss Alternating Pressure Relief

UPHOLSTERY COLOR: NAVY BLUE

Mattress Base: Dark Blue

Bariatric

Our ALX true low air loss mattress system is designed to deliver pressure reduction. This product offers “at risk” patients the most comfortable support surface of its class and at the same time controls pressure, moisture, shear and friction for prevention and treatment of stage I-IV pressure sore ulcers. Key features include 20 alternating 3 zone air cells, of which 11 cells have lasered low air loss holes.

TuffCare®
HIGHER STANDARD FOR HEALTH CARE™

ALX832-852
