

# *Smooth Seated Knee Scooter R280F*

*Smooth Seated All Terrain Knee Scooter*

COLOR: Cobalt Blue / Candy Apple Red

*The All Terrain Seated Knee Scooter R280F is a proven, durable mobility aid that provides maximum mobility for a full range of foot, ankle, knee, and leg injuries. This scooter keeps the injured leg cradled and elevated which hastens recovery by keeping the injured area from bearing any weight without sacrificing any mobility. A perfect alternative to those who cannot use a traditional knee scooter.*
