

Knee Walker **R250**

Standard Knee Walker

COLOR: BLACK

The R250 Walker makes relying on upper body strength to achieve uncomfortable results with crutches a problem of the past. Tuffcare offers a comfortable crutch alternative that takes the weight off of any foot related injury. This knee walker is ideal for individuals recovering from foot surgery, breaks, sprains, amputations, ulcers, or other lower leg and foot related injuries; some tool free assembly required. A fully folded R250 ready to be transported to wherever you need it.
