

Century™ Geriatric TNR630

Multi-Position Geri-Chair

COLOR: HIGH GLOSS POWDER COATED FRAME
WITH ROSEWOOD VINYL UPHOLSTERY

The Century™ Deluxe Geri-Chair is multi-position recline chair with no fixed recline angle. It features ergonomics design and engineered to provide maximum comfort and durability. Convenient push bar on chair back and swivel casters allow for easy movement. Articulating headrest allows user to see and interact with others. Four inch wide full depth armrests are angled to provide comfort and support in any reclined position.

Century™ Geriatric TNR630

Multi-Position Geri-Chair
